Subject Travelling Allowance claim - Rs 18-8-0, by Mr B Gopala Char - Municipal Councillor, Shirthahalli - for having attended the District Conference held at Shimoga during May 1943 I

In forwarding herewith an original report No Ml C-37/43-41 dated 1st November 1943 received from the President Shirthahalli Minor Municipality on the subject noted above I have the honour to state that Mr B Gopalachar Municipal Councillor Shirthahalli Municipality, was selected to represent the said Municipal Council in the District Conference held on 22-5-43 and 23-5-43 at Shimoga Town The Municipal Councillor attended the District Conference on the dates noted above

He claimed Travelling Allowance for the journey performed by him in this connection, The Municipal Council has sanctioned the Travelling Allowance claim of Rs 18-8-0 claimed by him at its meeting held on -10-43

As the journey performed by the Municipal Councillor is beyond the jurisdiction of the Shirthahally Municipality the President has submitted the Travelling Allowance of Mr Gopala char for according sanction of this office to the claim in question

I write to state in this connection that there does not appear to be any precedent for having allowed such a claim at any time on previous occasions Further, the claim for Travelling Allowance seems to be an ~~extraordinary~~ extraordinary item of expenditure

In the circumstances I solicit the favour of instructions of Government as to whether Travelling Allowance might be paid to Mr B Gopalachar Municipal Councillor Shirthahalli for having attended the District

So far, no such question has been raised by any of the Municipal Council or the State.

According to the State Budget for 43-44 it is seen from page 141 thereof that a provision of Rs 400/- is made for the payment of travelling allowance to non-official members of the subject-Committees and the Standing Committees of the District Conferences. Unless the member of the Mill who is deputed to the Conference happens to be a member of the Standing Committee or the subject committee, he cannot get any T.A. from the Govt. Perhaps the municipal council concerned will have to bear the expenditure involved. It is not known whether while passing this G.O. it was ever intended that the Govt. should bear the expenditure or the payment of the Land Revenue Surcharge may perhaps be shared on the part
